

MONTHLY EMAIL REPORT

Each month, you will receive an email report, detailing the hits you've received as a result of your page on our web-site **ONLY**... your on-line listing provides just a fraction of the exposure you will receive as part of your membership!

Your research profile will also be featured in the **hard copy** version of the 2018 CLINICAL INVESTIGATORS DIRECTORY...both versions are available **complimentary** to industry decision-makers that are searching for sites for enrollment!

This is an excerpt from a cumulative Hit Report of a member currently listed!!
